

COMMUNITY DEVELOPMENT ADMINISTRATION APPROVED ENGINEER/QUALIFIED PROFESSIONAL LIST

(For Calculating Utility Allowances under the Federal
Low-Income Housing Tax Credit Program)

(As of May 22, 2026)

In order to be approved and added to the list as an engineer or professional deemed qualified to calculate utility allowances under the Federal Low-Income Housing Tax Credit Program, you must submit the following:

1. A resume or qualification statement which clearly demonstrates expertise in completing utility allowances. The resume or statement should provide a listing of the qualifications of the staff that will prepare the utility allowance.
2. References from at least two property owners for which utility allowances have been calculated.
3. Samples of work performed demonstrate the methodology used to prepare utility allowances.
4. Copies of relevant licenses, certifications or accreditations.

Send the information to the attention of:

Cheri Curley
